WAL-BOARD® BRAND

Wal-Board Tape Reel, Model TR-25. A great time saver for the touch-up taper or production man. All steel construction with plated finish to prevent rust.

Wal-Board Roll Lifter, Model RL-42.
Ribbed back to prevent collapse or breakage under heavy lifts. Vertical top lip lets craftsman guide lifter with boot toe. Weighted nose keeps lifter in ready position. Patented roller-wheel moves lifter forward as it raises, forcing wallboard against wall and ready to nail.

Quick-Load Banjo Taper. Rigid Aluminum construction. Adjustable front mud flow dam. Adjustable side strap and wood capped top handle.

Quick Mixer, Model QM-30. Cadmium plated finish (Not Painted). Use with 1/2" drill or larger. 500 RPM or slower. 36" overall length
Hand Mixer, Model MM-34. Epoxy bonded handle and head will not come loose. 25" overall length, 6" x 6-1/4" head.

Broad Knife, Model WK-77. Tempered blue steel blade and shim for perfect wipe-down on ceiling joints. Perfect grip aluminum handle. Dimensions: 7" blade, 20" length.

Hammer-Head Knife. Hammer head knives have special quality steel, uniformly taper-ground for flexibility. Plastic handle with brass nailing head to set protruding drywall nails.

BE-4 4" Blade
BE-5 5" Blade
BE-6 6" Blade

Floor Scraper. All steel construction, 18" blade.
FS-7 Complete Scraper.
FSB-18 Blade only.
