Advance Equipment Manufacturing Co.

Advance Equipment Manufacturing Co. has been producing quality decorating and drywall tools for the professional, since 1922.

ADVANCE "original" drywall joint knife. Made from the finest flexible tempered spring steel, resulting in a straight blade, free from waves. Sturdy steel rib prevents blade from taking a "set". Comfortable sealed wood handle. Blade dipped in clear coat to prevent rust from atmospheric conditions.

Wipe-Down Knife:
Comes with 18", 20" & 24" blades.
Also comes with 6" and 18" handles.

CLEAR FLEX
Knock-Down Knife The high flexibility of these knifes makes it faster and easier to produce a beautiful, even, ridgeless, knock-down texture finish. Comes in 12", 24" and 36".

Cool Grip Taping Knife:
Ergo-Engineered. Soft **Cool Grip** handle. Ribbed for cool comfort. Avaliable in 8", 10", and 12" blades.

Extension Holders:
Adjustable to any angle and fits on any standard thread pole.

Off-Set Drywall Knife.
Off-set drywall taping knife.
Available in 8, 10, 12 and 14 inch blades.
