

ALL-TEX T-3000

Wall & Ceiling Texture

PRODUCT DESCRIPTION

TWI Next Level BRAND ALL-TEX T-3000 is an economical, non-aggregated dry powder product specially formulated to create a variety of textures such as orange peel, knockdown, splatter, skip trowel, or stipple textures.

ADVANTAGES

TWI Next Level BRAND ALL-TEX T-3000 mixes easily, has minimal fallout, and gets excellent mileage. *TWI Next Level BRAND ALL-TEX T-3000* has superb open time and is designed for 2 - 3 men spray crews. *TWI Next Level BRAND ALL-TEX T-3000* provides lower shrinkage than texturing with joint compounds which gives you a higher profile (stand-out) texture.
