

ALL-TEX T-4000

Wall & Ceiling Texture

PRODUCT DESCRIPTION

TWI Next Level BRAND ALL-TEX T-4000 is an economical, non-aggregated dry powder product specially formulated to create a variety of textures such as orange peel, knockdown, splatter, skip trowel, or stipple textures.

ADVANTAGES

TWI Next Level BRAND ALL-TEX T-4000 mixes easily, has minimal fallout, and gets excellent mileage. *TWI Next Level BRAND ALL-TEX T-4000* has superior open time and is designed for 1 - 2 men spray crews. *TWI Next Level BRAND ALL-TEX T-4000* provides lower shrinkage than texturing with joint compounds which gives you a higher profile (stand-out) texture.
