

FAST-TEX

Wall & Ceiling Texture

PRODUCT DESCRIPTION

TWI Next Level BRAND FAST-TEX is an interior, ready-to-use, vinyl base texture formulated to create a variety of decorative texture patterns including knockdown, orange peel, splatter, stipple (stomp), and other hand applied textures. *TWI Next Level BRAND* FAST-TEX eliminates the need for expensive mixing spray equipment without sacrificing productivity. *TWI Next Level BRAND* FAST-TEX is a product designed to conceal minor surface imperfections and to create a fast drying, more consistent texture with less mess which saves time and money. *TWI Next Level BRAND* FAST-TEX is ideal for rolling or spraying with an airless sprayer as a skim coat over gypsum surfaces that are damaged or have had vinyl wallcoverings removed.
